Chevron Corporation	USA	US1667641005	Annual	27-May-20	Share Holder	Human Rights Risk Assessment	8	Report on Human Rights Practices	For	S	There has been a general upward trend in the past 3 years, and policies / commitments are in place. However, and as the rest of the extractive sector, Chevron fails at implementing & communicating over its Human rights due diligence (the process a business is expected to follow in order to identify, assess and act upon its human rights risks). The company continues ranking below average on this topic, based on the last (2019) Corporate Human Rights Benchmark (CHRB) Key Findings Report. In that respect, we decided to support the resolution.
